Something to savour ...

LEEDS' passion for all things food related will be demonstrated this summer with the second **Leeds Loves Food** festival, the annual celebration of the city's culinary offer in Leeds from July 1 to 4.

Last year's festival brought thousands into the city, with a launch in Millennium Square on one of the hottest days of the year, appearances by James Martin and Jimmy Doherty of *Jimmy's Farm*, plus a number of events in restaurants and other venues in the city.

This year, Marketing Leeds, City Centre Management, and Leeds City Council's events team, partnered with Leeds Restaurant Association, are bringing together an even more exciting and jam-packed calendar of events.

This includes a healthy dose of cookery demonstrations and masterclasses, food sampling, celebrity chefs and special offers.
